Highlights

- In July and August 2021, colleagues in FBA have published or have been accepted for publishing in 2 ABS3 and 7 other refereed journal papers. Cumulatively, since the beginning of 2021, we have published or have been accepted for publishing in 2 ABS4*, 8 ABS4, 29 ABS3 and 36 other refereed journal papers.
- 5 articles in professional journals and in the media are reported in this issue. They are published in *Macao Daily* and *Macao Business*.
- 5 visiting scholar seminars were organized and an increasing number of Ph.D. students are being admitted.

"We are glad to witness that contributions of research in businesses, as well as the Macao society, are increasing in a research enhanced atmosphere."

*Professor Ricardo Siu,
Associate Dean (Research and Development)*
