Total Credits	39

* Students may apply for course waivers in the compulsory courses. However, they will be required to replace the waived courses with electives of equal credits.

** Students can apply for course waivers for up to three courses with equivalent content in an approved university. Application for course waiver(s) must be submitted to the FBA office for approval.

*** The above courses will be offered subject to the number of student enrolment and the availability of instructors.

Note:

1. BECO7002 Economics and ISOM7001 Statistics are pre-requisite for this programme. Each of them carries 3 credits and will not count towards the GPA. Students who have taken similar courses before could apply for course exemption. All applications for course exemption will be subjected to approval.
2. ALL courses listed in this programme must be successfully completed for graduation. Failure to complete any compulsory course will require that course to be successfully completed in the subsequent year.
3. The University has the right to make changes in its regulations, rules and procedures from time to time as it sees fit.
