Note:

- BECO7002 Economics and ISOM7001 Statistics are prerequisite courses for the programme. Each course carries 3 credits, and the result will not be counted towards cumulative GPA. Students may apply for course exemption (subject to approval).
- Students are required to successfully complete ACCT7070 Accounting Research Methods before enrolling ACCT7996 Applied Thesis or ACCT7999 Academic Thesis.
- 3. Students are required to achieve a cumulative GPA of 2.7 or above in order to graduate.
- 4. <u>ALL</u> courses listed in this programme must be successfully completed for graduation. Failure to complete any compulsory course will require that course to be successfully

completed in the subsequent year.

- 5. The Accounting Required Elective Course offerings are subject to the number of student enrolment and the availability of instructors.
- Unless otherwise specified, the above information is accurate as at 8 June 2018. The
 University has the right to make changes in its regulations, rules and procedures from time
 to time as it sees fit.
