* For students who have less than 2 years supervisory or managerial working experiences, they are required to undertake at least 560 hours (max: 810 hours) internship programme. Students who are working full time with at least 2 years supervisory or managerial experience at the time of application may be able to exempt the internship course upon showing adequate justification to do so to the University. Students who are working full time but without 2 years of supervisory or managerial experience at the time of application may be able to waive from the internship course upon showing adequate justification to do so to the University. All other exempt or waive cases will be subjected to special approval on a case by case basis.

** The elective courses are offered subject to the number of student enrolment and the availability of instructors.

*** Students may enroll in these MBA / MSc in Business Analytics / MSc in Cognitive Neuroscience courses as electives, and it is subject to class quota upon course enrolment and availability of instructors.

Note:

1. All courses must be successfully completed and students are required to achieve a cumulative GPA of 2.7 or above in order to graduate.
2. Unless otherwise specified, the above information is accurate as at 18 December 2024. The University has the right from time to time to make changes in its regulations, rules and procedures as it sees fit.
